We will be representing our squadron in public and paying tribute to our veterans...we need to do this by ensuring we all attend, look our very best in our uniforms (or civilian equivalent for cadets who don't yet have their uniform) and show our sincere respect and thanks. Remember our motto: Determined to Deliver!

Notes:

- 1. Dress is blue uniform with Tunic and Cadet Jacket – for the outdoor location (or if not issued, civilian jacket) with black gloves.***
- 2. Siblings may go to the same location, coordinate with your Level Officer.***
- 3. There is a small contingent to go to a long-term care facility to support their Remembrance service.***

It is essential that all cadets eat a good breakfast before coming! This will help ensure cadet safety when standing for long periods of time. Not eating a good meal increases the risk of cadets fainting on parade.
